

## Selection Guidelines for West Bengal Representation

### 1. Purpose

This document outlines the official guidelines and procedures for selecting skaters to represent West Bengal in National events through the Bengal Skating Association (BSA).

### 2. Team Selection Process

#### 2.1 District/State Championship

- Skaters are required to participate in their respective District/State Championship
- Participation and Race Selection is done by Skaters through Online and Transparent process
- Skaters are allocated Points as per RSFI guideline: Gold-5 Points; Silver-3Points and Bronze: 1 Points

#### 2.2 Announcement of Result and Calculation of Points

- Points are accumulated for Skaters in their respective Age group and category
- In case of Tie, the following Criteria is applied:
  - When two skaters score the same points then the competition between them, if any, is considered and the one who has beat the other is ranked above the other.
  - If no such comparison/selection mentioned above is possible the skaters with the same points are made to compete each other in a Tie-match for selection.
  - Ideally, the Tie Race should be conducted on the same day. But it can also be conducted later in a mutually agreed date and time.

#### 2.3 Selection for races by Skaters

- Skaters with highest points (first and Second) is allowed to select race of their choice online first
- The third Highest Skaters is then allowed to select the Races that is available for his/her age group and category after the first 2 skaters have selected their races
- The same rule is followed for 4<sup>th</sup> Skaters, if any race is available

#### **2.4 Online selection Process**

- Skaters must select their Races online and make payment is any Online
- No Offline request is entertained

#### **2.5 Change of races by Skaters**
